- You may register without special permission for courses that do not have prerequisites or restrictions. You must have completed or are enrolled in prerequisite courses that match MTSU prerequisite requirement, or you will not be allowed to register for the courses at MTSU. The Exchange Student Academic Advisor will assist students through the course registration process. Students should be very flexible regarding course selection and should have several alternative courses chosen in case their original courses are closed.
- List of [Undergraduate Programs](#) of Study can be found at [mtsu.edu/programs/index.php](https://mtsu.edu/programs/index.php) and [Graduate Programs](#) at [www.mtsu.edu/graduate/degrees.php](https://www.mtsu.edu/graduate/degrees.php)
- You can follow the links from each page to discover more about the specific courses in each major and/or other courses students in this major may take as part of their overall degree plan (requirements and [academic map](#)).
- Not all courses are offered every term. The [Dynamic Schedule](#) lists current and upcoming course availability ([https://ssb.mtsu.edu/pls/PROD/bwckschd.p\\_disp\\_dyn\\_sched](https://ssb.mtsu.edu/pls/PROD/bwckschd.p_disp_dyn_sched)) . If your study term is not available yet, please use the corresponding term for the best list (i.e. view Spring 2023 until Spring 2024 is listed).
- Enrollment is limited in Education, Recording Industry, Fashion, and Aerospace. Nursing and graduate-level English courses are closed to exchange students. History courses are limited for graduate students.
- To maintain full-time J-1 student status, you must take at least 12 credit hours if you are an undergraduate student, or 9 credit hours if you are a graduate student. You are allowed to take only one online course (3 credit hours) each semester.
