RELIGIOUS DIVERSITY IN CANADA

SUMMER | JULY 1-12, 2020
CONTACT: REBEKKA.KING@MTSU.EDU

EARN 3 HRS. FOR RS 3030

MAPPING RELIGIOUS DIVERSITY

This course will provide students opportunities to meet with religious leaders and adherents from multiple religious traditions and ethnic backgrounds in order to better understand the cultural diversity that shapes Canada's history and contemporary social landscapes. Canada provides a distinct opportunity to map religious diversity in a way that does not merely bring together a conglomeration of different religious traditions. Rather, their emergence and interconnectedness will be contextualized within both Canadian and international history, social and political developments, and cultural and demographical trends.

Students will explore and learn in Montreal and Toronto, taking local transit, visiting museums, touring various cultural and religious sites, meeting indigenous, immigrant, and other faith communities, and more.
